Magnetic Bit Holder for AEG & Ridgid 18v Tools 2 Pack

Compatible with AEG & Ridgid 18v Tools

StealthMounts Bit Holders for AEG & Ridgid 18v are the perfect addition for your drill or impact driver. This bitholder keeps your bits together, organised and on your drill or impact driver. Our AEG & Ridgid 18v Bit Holders come in a pack of 2. Each magnetic bitholder can hold up to 5 bits allowing you to access your most common drill bits ensuring that you never lose track of them. The appropriate screw for mounting to most of your AEG & Ridgid 18v tools is provided. The magnet allows the bitholder to be mounted to the tool at different angles, extra screws can also be stored on the side of the magnet. Bits won't fall out even when the holder is mounted upside down. Made in Great Britain our AEG & Ridgid Bit Holders are made with extremely durable injection moulded ABS plastic.

- **StealthMounts Bit Holder holds up to 5 bits for your driver**
- **The strong magnetic bit holder allows the mounting to be at different angles**
- **Extra magnetic storage on the side of the bit holder for screws and bits**
- **Made in Great Britain**
- **Made with strong injection moulded ABS plastic**
- **Never lose your drill bits again**
