StealthMounts

StealthMounts

Bench Belt+

6 Pack

Available hanging space of 3.7cm (1 1/2 inches). Particularly useful for the wider tape measures such as Crescent.

StealthMounts Bench Belts+ are a Universal Tool Holder perfect for hanging tape measures, impact drivers, safety glasses etc. Being a slightly larger version of our original Bench Belt, Bench Belt+ will allow mounting of crescent tape measures and onto a peg board. This versatile accessory keeps your most common tools easily accessible and organised. Our Bench Belts+ can be fixed to any surface with two screws, without allowing excessive tool movement. This highly versatile accessory can be used to hang tape measures, impact drivers, safety glasses etc. Made in Great Britain our Bench Belts+ are made with extremely durable injection moulded ABS plastic with countersunk screw holes which allow for firm mounting.

- **Organise your tape measures, tools and safety glasses so they are right at your fingertips**
- **Store equipment at the end of your workbench, freeing up space**
- **Available in many different colours**
- **Made in Great Britain**
- **Made using strong injection moulded ABS plastic**
- **No more workshop syndrome!**
