## Stubby Magnetic Bit Holder for Makita CXT, LXT & XGT Tools

2 Pack

Compatible with Makita CXT, LXT & XGT Tools

**StealthMounts Stubby Bit Holders for Makita CXT, LXT & XGT are the perfect addition for your drill or impact driver. These Bit Holders can be mounted on either side of your drill or impact driver and are designed to be used by left-handed and right-handed people with equal ease. Compact and completely out of the way of the drill grip, the Stubby bit holder holds up to 4 bits, with an exposed magnet on both sides, allowing extra storage of bits and screws. StealthMounts Stubby Bit Holders come in a pack of 2 and are moulded specifically to Makita tools for a close and secure fit. The appropriate screw for mounting your Makita CXT, LXT & XGT is included. Made in Great Britain our Stubby Makita Bit Holders are made with extremely durable injection moulded ABS plastic.**
