45 Magnetic Bit Holder for Milwaukee M18 Tools

StealthMounts

2 Pack

Compatible with Milwaukee M18 Tools

StealthMounts 45 Bit Holders for Milwaukee M18 are the perfect addition for your drill or impact driver. The 45. This Bit Holder can be mounted on either side of your drill or impact driver and are designed to be used by left-handed and right-handed people with equal ease. The 45 Bit Holder mounts onto the drill of impact driver at an angle which is ideal for storing longer bits as the length is held backwards and out of the way of the work being done. In addition to 5 holes for bit storage there is room for a carpenter's pencil also, ideal for quick access when marking up. The 45 Bit Holder is particularly useful when carrying out more than one type of fixing, switching bits is fast and easy. Designed specifically for use with Milwaukee M18 tools, providing a close and secure fit. The appropriate screws for mounting to your Milwaukee M18 tools is included. The exposed magnet allows for extra storage of bits and screws. Made in Great Britain, our 4590 Milwaukee Bit Holders are made with extremely durable injection moulded plastic.
