## Milwaukee M12 Tool Mounts

3 Pack

StealthMounts Tool Holder for Milwaukee M12 keep your tools organised and right where you need them. Tools are held securely using Twist and Lock system. Power tools simply slide onto the Milwaukee M12 Tool Holders and twist to lock. Perfect for mobile setups or workshops! Made in Great Britain our Milwaukee M12 Tool Holders are made with extremely durable injection moulded ABS plastic with countersunk screw holes to allow for firm mounting. Great for keeping track of your tools and staying organised. They can be mounted at any distance from one another and in small spaces for maximum workshop efficiency. Rated for use in your workshop and under shelves. They can be used in tool trailers or in your work vehicles with due care

- Tools lock into place securely perfect for workshops, tool trailers and work vehicles
- Allows for maximum use of space in your work area
- Made in Great Britain
- Made with strong injection moulded ABS plastic
- Protect your tools by keeping them up and out of the way
- Saves precious workshop space!
