## **Makita Countertop Box V1**

Contains Battery Mounts, Tool Mounts and Bit Holders

The StealthMounts Makita Countertop Box is an excellent addition to your sales strategy, designed to effectively display three of our products: Battery Mounts, Tool Mounts, and Bit Holders. By featuring these items prominently on your counter, you can capture customer interest and drive additional sales. The sleek and organised presentation of these products not only showcases their utility and design but also encourages customers to consider complementary items for their toolkits.

The Makita countertop box holds:

- 6 x BM-MK18-BLU-6
- 4 x TM-MK18-BLU-4
- 6 x BH-MK-BLU-2

All versions of the Bit Holders will fit.
